

School Council Meeting Minutes

Attendees: Students RG, JB, LMc

Staff AD, MOD, NE

MOD - Welcome to RG and thank you for taking the place of MM as she has now left.

MOD -100% Attendance.... an idea by staff was raised to the students regarding 100% attendance and rewarding forms on a weekly basis. If all members of a form achieve 100% attendance for the week than they could possibly have non uniform day on a Friday or have their mobile phones on a Friday etc.

LMc - this could have floors as some students will let the form down and what if somebody is really poorly?

MOD - We are trying to achieve 2 things and that is to improve attendance and team work. We accept there can be floors but this could be a work in progress and we are open to other/ better suggestions from students.

Relationship Day... We need ideas from students about what they would like to do for relationship day.

Ideas suggested at meeting include:

Paintball

Go Karting

Go Ape

Arethusa Venture Ctr

Lazer Tag

Flip Out

Beach Day

London Bridge trip

Council Reps are to speak with their forms and let either AD or NE know of any other ideas.

Mission Statement or slogan: MOD we would like Inspire Academy to have a mission statement or slogan and would like students to have a think about a good possible slogan that would represent / have meaning for our school.

Ideas suggested at meeting.

"Building something better"

"We don't just support the young people we support the families"

"We find strategies for you to cope"

School council reps to let MOD, ADE or NE know of any other suggestions.

Students Questionnaires... The results from the student questionnaires are in 27 students completed one.
